Call for Papers

16th International Conference on Management of Digital EcoSystems (MEDES-2024)  
November 18-20, 2024, Naples, Italy  
<https://conferences.sigappfr.org/medes2024/>  
In collaboration with ACM SIGAPP  
\*\*\*\*\*

The International Conference on Management of Digital EcoSystems (MEDES) aims to develop and bring together a diverse community from academia, research laboratories, and industry interested in exploring the manifold challenges and issues related to web technologies and resource management of Digital Ecosystems and how current approaches and technologies can be evolved and adapted to this end. The conference seeks related original research papers, industrial papers, and proposals for demonstrations, tutorials, and workshops.

**\*\* SUBMISSIONS \*\***

All paper submissions for MEDES-2024 will be via EasyChair at  
<https://easychair.org/conferences/?conf=medes2024>

**\*\* TOPICS \*\***

MEDES seeks contributions in the following areas:

- Digital Ecosystem Infrastructure
- Data & Knowledge Management
- Computational and Collective Intelligence
- Semantic Computing
- Software ecosystems for software engineering
- Big Data
- Services
- Trust, Security & Privacy
